

STATE OF MICHIGAN REQUIREMENTS

HOMEOWNERS ELECTRICAL PERMIT

Homeowner Definition: a homeowner is a person who occupies or will occupy a single family dwelling.

I affirm I am the owner of the single family dwelling located at _____ and do occupy or will occupy this dwelling.

I agree to:

1. Apply for the appropriate permits.
2. Do all the work myself.
3. Pay the required fee.
4. Request for inspection by and approval of the inspector
5. Make any required corrections.
6. **I understand that under Michigan Laws, if I do not demonstrate knowledge and competence in performing this work, the inspector is required to cancel my permit, and all work will stop immediately.**

Electrical Code Rules, Part 8: Section 90-13 c defines a home as:
A home owner who occupies or will occupy a single family dwelling and other accessory structures located on the same lot intended for is by the homeowner for which the permit is obtained and who will install the electrical equipment as certified by the homeowner on the permit application in accordance with section 10 (4) of the 1972PA230. MCL S125.1510(4)

By Signature, I affirm that I will comply with the above requirements.
